# Welcome to Farrell Laser & Aesthetic Medicine Center!

Dear Patient,

Welcome and thank you for scheduling an appointment with Farrell Laser & Aesthetic Medicine Center. We appreciate your interest and will do our best to make your visit pleasant and informative. We look forward to seeing you at your upcoming appointment. In order to help us provide you with the best care and service, please read through these instructions before your appointment.

- Please arrive at least 15 minutes prior to your appointment time. This will allow our office staff to check you in and prepare your chart.
- Please complete the available paperwork and bring it along with you to your appointment. This will decrease your wait time on the day of your appointment.
- Please bring your insurance card and valid identification card.
- Please do not wear make-up on the day of your appointment. Some skin conditions can be subtle and not able to be adequately evaluated through make-up.
- Please do not wear scented products such as perfume, cologne, and fragrant personal care products while in our office, as they can trigger serious health issues for those with fragrance allergies.
- For medical appointments, bring any required copayments, which will be collected at the time of check out. For self-pay patients, payment in full at the time of service is required, unless discussed otherwise. We accept cash, checks, and all major credit cards.

We value your time and will make every effort to stay on schedule and avoid unnecessary waiting. If you are late, we may need to reschedule your appointment.

If you will not be able to make the appointment and need to reschedule, please notify us as soon as possible.

Please contact us at any time with questions or concerns at 717-732-9000. We look forward to seeing you soon at your upcoming appointment!

Sincerely,

Dr. Farrell & Staff at Farrell Plastic Surgery & Laser Center

#### **Appointment Cancellation, Rescheduling, and No-Show Policy**

#### Effective May 1, 2022

Our priority is providing outstanding medical care, and this requires policies to ensure appropriate scheduling. When an appointment is missed, that time cannot be used to treat another patient in need of care. We thank you for your cooperation and compliance to allow a smoother office flow and more efficient use of time.

As a courtesy, when time allows, we make reminder calls for appointments. If you do not receive a reminder call or message, this Policy will remain in effect.

#### **Cancellation, Late Rescheduling, and No Shows:**

We require patients to give our office at least 24-hour notice if you are unable to keep your appointment. If you do not provide us with a 24-hour notice, or do not show for the scheduled appointment, you will be charged a \$50 office fee.

A patient who is a "no-show" 3 times for an appointment will not be rescheduled for future appointments.

A patient who reschedules an appointment multiple times may be charged to hold an appointment or future appointments may be refused. The charged fee would be forfeited if the appointment is rescheduled or cancelled within a 24-hour notice.

We understand there may be times when an unforeseen emergency occurs, and you may not be able to keep your appointment. If you should experience extenuating circumstances, please let our office know as soon as possible, and we will determine if the fee can be waived. Illness and inclement weather will always be taken into consideration.

Cancellation, Rescheduling, and No Show fees are not billable to any form of insurance and must be paid prior to scheduling your next visit. If you refuse to pay the fee, we reserve the right to refuse scheduling any future appointments.

I have read and understand the Appointment Cancellation, Multiple Rescheduling, and No Show Policy and I agree to its terms. I understand and agree that such terms may be amended from time to time by the practice.
